Parish Council Plan for Lighting of the Beacon Thursday June 2nd, at 9.45pm, on the green

(9.40 A Brun will play the bugle, 9.45 the beacon will be lit)

The Beacon is one of thousands being lit in the UK and the Commonwealth, and forms part of the official programme announced by Buckingham Palace for the Jubilee Weekend. The Beacon will be lit on the village green and it will be one of over 2,022 lit by charities, communities and faith groups all over the UK.

In addition, beacons will be lit in all fifty-four Commonwealth capitals and the Principal Beacon lighting will take place in a special ceremony at Buckingham Palace on Thursday evening.

This will take the form of a lighting installation with The Queen's Green Canopy 'Tree of Trees' sculpture and projections onto the front façade of Buckingham Palace. An innovative new way of taking part in the beacon lighting reflecting the Royal Family's interest in environmental causes.

Timeline for Lighting the Beacon

- At 2pm hundreds of town criers and 50 Pearly Kings and Queens will announce a specially written Proclamation heralding the lighting of the beacons later that day.
- At 9.35pm local time across the UK and Commonwealth, traditional and Northumbrian pipers and pipe bands will play Diu Regnare, a unique tune specially written for the occasion by Piper Major, Stuart Liddell, the world's leading piper.
- At 9.40pm buglers linked to local beacon lightings across the UK and the capital cities of the Commonwealth will officially announce the lighting of the beacons with a specially written bugle call, entitled Majesty. Councillor A Brun will play the bugle.
- Then at 9.45pm exactly, local time and to coincide with the lighting of the beacons, community choirs across all nations will sing Song for the Commonwealth, which has been written and composed by Lucy Keily, from Australia and Vincent Atueyi Chinemelu from Nigeria.

Please note that during the evening of Thursday 2nd June and prior to lighting the beacon, live music will be available in The Dabbling Duck between 5 pm and 7 pm with live music to continue on the green from around 7 pm. (See page 8)

The Fish and Chip van will also be available on the village green throughout the evening.

**Great Massingham Resident, Jim Woodbridge,
took part in the Coronation in June, 1953**

In 1952, Jim Woodbridge, at age 18, began three years of National Service with the RAF Fighter Command Band. He had been selected specially to join the Band because he was skilled in the playing of brass musical instruments. (picture left) Times were very different in 1952, Jim recalls. Britain was still recovering from the Second World War (1939 to 1945) and life was difficult for many.

King George VI had died, aged 56 years, at Sandringham, on February 6th 1952 and was succeeded by his daughter, Princess Elizabeth. Everyone was looking forward to a new 'Elizabethan Age' and a brighter future.

In preparation for the Coronation Day, June 2nd 1953, huge stands had been erected along the route in London and shops were stocked with special souvenirs such as special cardboard periscopes to view the procession over the heads of people in the crowds. This was an occasion to lift the spirits of the people.

Many, many thousands of people attended the parade in London.

For the many servicemen taking part, the preparation started weeks in advance. Jim's band was one of the many taking part. The troops were based in Kensington Gardens, in tents, in not ideal conditions, especially as the weather was wet much of the time. Daily, they pounded the streets of London in preparation. Two days before the parade, they spent considerable time getting their uniforms and boots, in tip top condition but to no

avail! ...The day of the parade came and the weather was not good.

"How it rained! Our boots soon became caked in mud as we set off," Jim said. "We marched six abreast - four trombones in the centre front row and a tuba either end. For the procession there were bands before us and bands behind us, separated by lines of troops."

Some way before Westminster Abbey Jim's band turned off the parade into a side road. They then counter marched in the side road to turn back facing the passing parade.

He recalls, "I was now in the front left hand position and in the perfect place to see the Coronation Coach approaching. It was now our duty to play the national Anthem as the Queen passed. The timing was spot on!"

All those in the parade were awarded the Coronation medal, pictured left, Jim included, of course. What an amazing thing to have done! Thank you Jim for sharing this with us.

Chrissie is planning the Yard Sale again this year but she really would like some volunteers to help her with various tasks.

Gt Massingham Village Yard Sale.

Date this year - Sunday 21st August

Make a note of the date in your diary and, if you can, please come forward and volunteer to help and not leave it all to Chrissie. Many hands make light work!

Please give Chrissie Warnes a call on

GUILD**

Many thanks to all those who came and supported the Trefoil Guild Coffee Evening. £200 was raised for local, good causes.

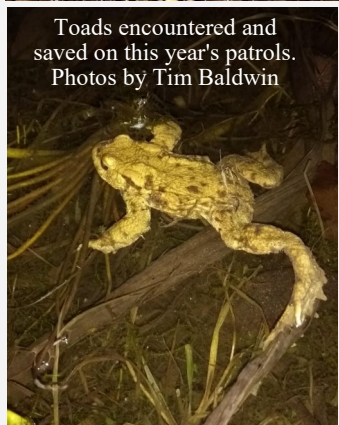

TOAD REPORT

Ptolemy McKinnon reports as leader of the Team...

Firstly, a huge thank you to all involved in Toad Patrols over the past two seasons since I have been involved. This season has been mixed with toads lost during the bad weather in February before toad patrol was expected to start. The weather turned mild early but conditions were unsafe to undertake patrols, due to the strong winds which caused severe tree damage. However, the season, overall, has been successful.

Toads encountered and saved on this year's patrols.
Photos by Tim Baldwin

At Weasenham Road, numbers were relatively similar to last year with 7 toads saved, 3 toads lost, 2 smooth newts saved, 2 smooth newts lost and 1 great crested newt saved. In Little Massingham, Lily Pond saw a drop in numbers but it is possible these toads might be utilising Hall Farm Pond more, which is further along Church Lane to the south-west. There were 284 toads saved and only 11 toads lost on Lily Pond this year, compared to 437 toads saved and 33 lost in 2021.

It was disheartening before we started patrols this year to see several dead toads on a lunchtime walk, following a night of strong winds. This definitely triggered the Patrol season to start and it worked very well.

There was a remarkable increase in toad numbers this year at Hall Farm. In total, **1832** toads were saved with 140 lost. The totals for last year at Hall Farm were, 798 toads saved and 95 lost.

In conclusion, it is very promising to see so many toads moving at Hall Farm which continues to be an important site in Norfolk. Hopefully, next year sees success at Lily Pond and Great Massingham but, no matter the trends, thank you to all Toad Patrollers for their efforts, as many more toads would be lost as road casualties if it were not for the dedication and enthusiasm of those involved in the patrols.

The **Annual Parish Meeting** was held prior to the May Parish Council meeting, on the 9th May. A report on the annual activities of the Parish Council was received from the Chair, Sue Nash, followed by a report on the annual activities of the Borough Council from Councillor Jim Moriarty. Dr Mike Jackson, as Chair of the Neighbourhood Development Plan Steering Group, provided a report on the annual progress of the NDP process. The meeting agenda culminated with a period in which parishioners had an opportunity to question the Councillors present.

After 37 years serving the Parish Council, both as Councillor and Chairman, Mr V. Cross was awarded a glass tankard to thank him for his dedication, service and support to the parish of Great Massingham. He accepted the tankard and thanked the Parish Council and the parish as a whole. He also commented that it had been a real privilege to serve the Parish Council and remarked on the sense of community within Great Massingham.

The May Parish Council meeting followed, beginning at 7.30pm, with eight Parish Councillors in attendance along with twelve members of the public and our Borough Councillor, Jim Moriarty. The first item on the meeting agenda was the election of Chair and Vice-Chair. Councillor Peter James was voted to be Chair and Councillor Mark Eldridge to the position of Vice-Chair. These positions are elected annually, so both Councillors will remain in place until May 2023.

Casual Vacancy

David Speake, stepped down as a Parish Councillor at the April meeting. The Parish Council thanked him for giving up his time and all that he had contributed during his time on the Council.

The Local Election Rules 2006 require the Casual Vacancy to be advertised on the Notice Board and Parish Council Website for a period of 14 days. If, within the 14 days of the date of the notice a request, in writing, that an election should be held to fill the vacancy, signed by ten local government electors of the Ward is given to the Proper Officer (BCKLWN), then an election will need to be held. If no such request is received by the Proper Officer (BCKLWN), the Parish Council will take the necessary steps to fill the vacancy by co-option.

Finance

The annual accounts for the year ending 31st March, were approved by the Parish Council. The Internal Audit will be carried during May by Mr Roger Canwell and his auditor's report will be presented to Council at the June meeting. Also, at this point, the Annual Governance and Accountability Return (AGAR) will be reviewed by the Parish Council and subsequently submitted to PKF Littlejohn LLP for external audit. The end of year accounts are available on the Parish Council website

The next Parish Council meeting will be held in the Village Hall on 13th June, at 7.30pm.

Members of the public are very welcome to join the meeting with the opportunity to make comments or ask questions during the first part of the meeting. To contact the Clerk, Sarah Harvey you can telephone 01328 823391, email gmparishclerk@gmail.com or write to Byanoak, Leicester Road, South Creake, NR21 9PW.

Biodiversity Project News

The very dry spring gave volunteers a chance to remove some of the silt from the dyke near to the culvert that runs under Sandy Lane. This is important in order to keep the water flowing freely in wet periods and try to minimise times when the pond can overflow onto the adjacent green.

Volunteers have also been dividing and planting more marginal plants along the pond margin to combat erosion and damage caused by the excessive population of ducks in the area. Despite the generally dry weather, the wet and rough meadows beside the pond are looking very lush at the moment with many plants in full flower. The yellow flag iris look at their best now, with red campion still flowering and ground elder taking over as the cow parsley fades. Ground elder may be the bane of many gardeners' lives but the rounded flower clusters en masse can make a fine display in the meadow beside the green.

Beside the path on the north side of the pond, look out for ragged robin with its shredded pink petals, a smaller relative of red campion. The meadow was slow to green up during the dry spring but the first flowers of ox-eye daisies and corn chamomile should be showing now before the display of flowers reaches its peak next month.

FOSPGM... The Plan of the Survey of Scotsman's Pit

Jexx Plant of King's Lynn recently completed a Bathymetric Survey of the Pit which shows the current depths of water and silt. A copy of the survey report is below.

The Friends of Scotsman's Pit (FOSPGM) recommend the following:

1. Priority remains to continue with to monitoring and addressing the bank erosion. More input may well be identified to the banks as we monitor but consideration will also need to be given to allowing the plants to establish.
2. We recommend no desilting should be carried out until action one has progressed.
3. We continue our discussions and consider the possibility of a 'mini dredge' to allow for a safety hole, in the event of weather extremes such as hot drought or cold freeze.
4. Several areas appear to be suitable for this. A particular area of interest lies at the grid position 36m,120m where it appears it may be possible to use minimal heavy machinery. As stated, this is for later discussion.

Message for Parishioners from Reverend Judith

Our national Platinum Anniversary Celebrations this month commemorate our beloved Queen's long reign as both Monarch and Head of State: seventy glorious years - the longest-ever reign in history.

Elizabeth was not quite 25 years old when she acceded to the throne. Her father King George VI died suddenly at the age of 56 in February 1952, while Princess Elizabeth and The Duke of Edinburgh were in Kenya, at the start of a tour of the Commonwealth so she left as a Princess and returned as Queen.

The coronation of Her Majesty Queen Elizabeth II took 16 months to organise and it took place at Westminster Abbey on 2nd June 1953, conducted by the Archbishop of Canterbury, Geoffrey Fisher.

Our great nation has often celebrated major Royal events with the creation of special food items: from the time of Queen Victoria think *Victoria Sponge*, from 1953 think *Coronation Chicken* and, now, for the hugely significant **Platinum Jubilee** think *Platinum Pudding*, a special trifle comprising lemon Swiss roll, orange jelly and amaretti biscuits to echo the lemon posset dessert the Queen enjoyed on her honeymoon. The Platinum Pudding was created by Jemma Melvin, the winner of a national competition in conjunction with the Royal grocers Fortnum & Mason, which attracted 5000 entries! Many special events are planned locally across our villages with Parish Councils, community groups and churches working together to celebrate, in many different ways, this unique and joyful occasion.

As communities, we are drawn together across the generations to celebrate and give thanks for the amazing life and **service to us all** of our wonderful Monarch, now so sadly parted from her husband and lifetime consort Prince Philip, who so loved being in our Royal County of Norfolk, at Sandringham House. The Platinum Jubilee has drawn us together as communities for tea parties, treasure hunts, concerts, picnics, street parties, lighting of beacons, new flagpoles -you name it, it is happening!

I'd like to conclude by sharing with you a special prayer for the Queen's Platinum Jubilee written by our bishop: The Rt. Revd Graham Usher, Bishop of Norwich. Thank you all for the privilege of sharing with you this once-in-a-lifetime occasion.

With all blessings, Rev Judith x

Christ our King,

We come in gratitude for our Queen
whose long, extraordinary reign
has deliberately mirrored your service
through a life of visible self-giving.

As we thank you for Elizabeth
- our beloved Servant Queen -
we acknowledge her tireless devotion
to country and to Commonwealth,
while rejoicing at the special place
which Norfolk has in her heart.

Thank you for her calm and constancy,
her humour and humanity,
her steadying words and unifying signs,
her grace and strength and resilience.

Protect her, we pray, O Christ,
and enfold her with your enduring love
for, prized above rubies in her crown,
she is more precious to us
than platinum itself.
Amen

The Coronation Club will be having a picnic on the village green on Saturday June 4th from 2pm to 4pm. Anyone who wants to, please come along and join us. Please bring your own picnic and something to sit on. It will be lovely to meet people after the difficulties of the past couple of years and to celebrate the Queen's Platinum Jubilee.

Great Massingham Craft and Chat

The Craft and Chat group are busy making a Post Box Topper to celebrate the Jubilee. It will be put on the Post Box outside the Village Shop. You may have seen the one on the Post Box outside Grimston shop and it is lovely. Let's hope ours is too!

If you use Facebook there is a group on there called 'UK PostBox Topper and more Group' and you can see the marvellous toppers that people have made.

Maybe we will make it a regular thing?
